Zion View Athletic Park

Social Hall Rental- 140 Copenhaffer Rd.

The social hall is available for rentals throughout the year. Reservations fill up fast, so call early to guarantee a date. Effective January 2024, the rental will be \$200.00. A \$75 deposit along with a submitted contract will hold the date with the balance due 60 days prior to the rental date. Renters must be over 21 years of age and provide a photo ID. For information and available dates, contact the township office during regular business hours. When returning the key, place it in the mailbox or you may drop it off the following Monday during regular business hours.

Conewago Township is proud to announce the completion of the new administration building.

The 6,138 square foot building was completed and our first official meeting was held on January 3rd, 2023. We are also very proud to announce that the building was completely paid without obtaining a loan or increasing taxes. Careful budgeting, township growth and ARPA funds (stimulus money) made this possible. Check the attached invitation for our 1st open house.

With the completion of the construction and our settling into the new office, we are implementing many upgrades. Some are already in place, such as uploading plans and agendas on our large screen televisions for meetings. You will see many more in the near future. Finally, we are catching up with the 21st Century as far as electronics and social media. We found new ways to reach out to the community with programs like Savvy Citizen. Savvy Citizen is a tool that can send alerts of issues immediately. We are also exploring streaming and other social media outlets to keep our residents better informed.

Conewago Township

Cordially invites you to attend our

OPEN HOUSE

September 30, 2023

11AM-1PM

Come for a tour of our new facilities

NORTHEASTERN SENIOR COMMUNITY CENTER

P.O. Box 386 131 Center Street Mount Wolf, PA 17347

(717) 266-1400

Email address: seniorstars@nassc.org

Our current hours are Monday-Friday, 8am-2pm. The membership is free, but registration requires proof of identification (driver's license, PA ID card, birth certificate) as seniors must show that they are over 60 and a resident of York County. If over 65 years of age, we will forward you applications for both the Area Agency on Aging and Rabbit Transit. Rabbit provides curb to

curb service for seniors to attend the center, go on trips, or for personal use. The fees are calculated by mile, but to attend the center is free!

Future Plans include moving into the former United Brethren Church located at 5675 Susquehanna Trail in the Fall of 2024. Check out our website below for our newsletter and calendar of activities. Be sure to also check out our FB page to see what fun we have!

You can call ahead to schedule a visit! 717-266-1400

Website: <http://www.nassc.org>

Facebook: www.facebook.com/Northeastern-Senior-Center

Conewago Twp Residents, Savvy Citizen® is now available!

Conewago Township would like to introduce Savvy Citizen. Savvy Citizen is a free notification system for Apple and Android users that will enable the township to send information about important township news and events directly to residents' mobile devices. Residents may access Savvy Citizen by downloading the smartphone app, visiting the website below or scanning the QR code with your phone's camera.

For more info:

SavvyCitizenApp.com

Sign up and become a savvy citizen!

10 TOP THINGS NOT TO FLUSH

- **WIPES** – baby wipes, “disposable/flushable” wipes, personal hygiene wipes, cleaning wipes
- **CLOTH** – cleaning rags, nylon stockings, underwear, shop towels, mop heads
- **PLASTICS** – plastic bags, plastic cotton swabs, disposable lighters, hotel shampoo bottles
- **DIAPERS** – paper or cloth; no matter how soiled
- **COOKING OIL/GREASE** – fats, oils, cooking grease – used or unused
- **MEDICATIONS** – prescriptions, over-the-counter, vitamins, illegal drugs, patches & hypodermic needles
- **FEMININE PRODUCTS** – sanitary pads, tampons, applicators
- **CHEMICALS** – cleaning products, herbicides, insecticides, solvents
- **CONDOMS** – condoms & condom wrappers
- **HAIR** – human hair, pet hair

WellSpan EMS has acquired Northeastern Area EMS.

WellSpan EMS offers a wider service area and an affordable rate structure. Their membership runs from July 1, 2023 through June 30, 2024. Please contact WellSpan EMS membership line at 717-736-4666 to speak with one of their qualified membership representatives if you want to join as a member, or if you have any questions.

In case of an emergency, please call 911.

Currently Dover EMS serves part of Conewago Township in the area west of Jug Road and South of Canal Road.

In order to be covered by both Dover EMS and WellSpan, it is in the best interest of those living in the western areas of Conewago Township to belong to both Dover EMS and WellSpan. Any questions please feel free to call the station at 717-292-9776.

UPDATE on the future headquarters of Northern York County Regional Police Department. As reported in the last newsletter, NYCRPD is in the process of building a new facility. You will see ground breaking in the near future. The facility will be located in the Manchester Township Commerce Center located on the Susquehanna Trail. Northpoint Developers generously gave an 11 acre parcel that will be pad ready for the construction of the building. Construction may be delayed due to Federal regulations on a pair of nesting American Bald Eagles in a nearby tree.

NYCRPD participates in many community programs. Information can be found on their website, NYCRPD.org. Some of these include:

Explorer program	Video Registration Program
Savvy Citizen	Child Restraint Checks
Project Lifesaver	Special Needs Registration
25 and Alive	National Night Out
Mature Driver Education	Bicycle Safety
Kid Kard Program	Officer Dorothy
Vacation Home Check	Workplace Violence & Identity Theft Seminars

Yard signs at \$10 each and garden flags at \$15 each are available for purchase at the station located at 1445 E . Canal Road. All proceeds go to support the NYCRPD Explorer program.

Fire Protection provided by
Strinestown Community Fire Co. Station 26
 5690 Susquehanna Trail, Manchester, PA 17345
 717-266-1131
www.Strinestownfire.com

We Need You! Strinestown Community Fire Company is strictly a volunteer fire company. In a year, we average between 300 and 400 emergency calls. This year we have already had 50 more emergency calls than last year! Strinestown Community Fire Company is the sole provider for Conewago Township. Every firefighter volunteers their time to help you in a time of crisis or in the time of need. There are two types of Members. An Operational Member is for someone who is 18 years or older that is interested in participating in fire/rescue calls. Experience is not necessary and free training is offered. A social member is for an adult that is not interested in responding to fire/ rescue calls. Please call, email, or stop by one of our two stations for more details.

Reminder! Make sure smoke detectors are working, are tested, and the batteries are changed every year. This is your first defense of being hurt or killed. Smoke detectors should be on every floor and outside every bedroom. Fire extinguishers should be placed in the kitchen, garage, and near the furnace. There are many different types of extinguishers. When purchasing an extinguisher make sure that it meets the most common fires found in a home.

UPDATES!

Engine 26-1 is in service and prepared to respond to your emergency. Stop by Station 26-1 to have a look.

Our annual fund drive will be starting soon. Keep an eye out for the mailing. Thank you for your support, Leadership and Members of the SCFC.

Brougner Companion Animal Shelter
3159 Susquehanna Trail North, York, PA 17406
Phone 717.764.6109
info@yorkcountyspca.org

Conewago Township has a contract with the SPCA of York County to provide services to our residents.

Below is a list of provided services.

- Yearly and Lifetime Dog licensing, microchip and rabies vaccination clinics.
 - Animal Related Municipal Ordinance consultation.
- Full record keeping and documentation required by the Department of Agriculture's Bureau of Dog Law Enforcement.
- Low-cost spay/neuter assistance including programs for outdoor stray cat colonies and discounted spay/neuter for all pit bulls.
- Humane investigations, citations and prosecutions of animal cruelty and neglect.
- Veterinary care for sick and injured animals through SPCA Second Chance Program.
- Temporary foster and veterinary care for pets of domestic violence in conjunction with YWCA Hanover's Safe Home, YWCA York's Safe Home, the Red Cross, Bell, YMCA Men's Shelter and Life Path.
- Humane education programs for York County youth through elementary and secondary educational institutions.
 - Pet food for elderly residents living on a fixed income or for financially disadvantaged residents through SPCA Pet Food Pantry Program.

2022 Notable Lifesaving Statistics

25,521 pounds of food distributed through PET Food Pantry
1,257 Animal Welfare Checks
200 Animal Cruelty Investigations
9,538 Rabies Vaccines Administered
2022 Save Rate 95.1%
(Save Rate is the percentage of animals who enter the shelter and leave alive)
11,244 Spay/Neuters
(Over 75,000 Spay/ Neuters in past 10 years)

WHEN AND WHAT PERMITS ARE REQUIRED

From time to time residents ask when do I need a permit or when is a permit required. Many don't realize that there are various permits required for different projects.

For more Information contact the Zoning Office
at 717-266-2122, ext. 13

BUILDING / UCC PERMITS

A building permit is required for all construction projects, residential, commercial, industrial and agricultural. The application should be submitted 30 days prior to actual construction. All construction projects must meet the 2018 International Residential Code for residential use and the 2018 International Building Code for commercial and industrial uses. To determine if your project is applicable call the township office .

POOL PERMITS

When swimming season is in, all residential in-ground and above-ground pools capable of holding 24 inches or more of water, require a permit, whether temporary or permanent. All pools with sides less than 48 inches high require a fence of 48 inches high. All Spas/Hot tubs require permits.

ON-LOT SEWAGE PERMITS

Sewage Permits are required for all new and repairs to existing on-lot systems.

Stormwater Applications/ Permits

All new impervious surfaces created must address stormwater i.e. sheds, garages, sidewalks, patios and pavilions.

DRIVEWAY PERMITS

Permits are necessary for all new driveways. The repaving, repairing or improving of an established existing driveway require permits & Stormwater Management needs to be addressed.

AUTOMATIC ALARM PERMITS

Permits are required for automatic alarms that emit a sound or transmit a signal or message when activated.

This only lists a few of the more common permits that are required. Each property owner is responsible to obtain the necessary permits prior to the start of construction. Normal hours for permits are Monday thru Thursday 7am-5pm. Call before you stop by for permits as the Building Permit Officer may be out on inspections or code enforcement issues.

Storm Water Management

Here's What You Can Do

Research ways to reduce stormwater runoff from your property.

Projects like rain barrels and rain gardens are just some examples of ways you can help reduce the amount of stormwater runoff from roofs and driveways. For more ideas, visit www.watershedsyork.org.

Check your local Stormwater Management Ordinance when making changes to your property.

Every municipality in York County has rules for dealing with stormwater. Your municipality can help you understand the requirements. You can also use the York County Integrated Water Resources Plan Flowchart Tool, at www.PAIWRP.com.

Report illicit discharges.

If you see water or another substance being discharged from a pipe or opening, and suspect it is illegal, contact your local municipality or the Pennsylvania Department of Environmental Protection.

If you have a septic system - maintain it properly.

Malfunctioning septic systems are a major source of nutrients being improperly released to local streams. Even if you can't see a problem, a poorly maintained or neglected septic system can be contributing to pollution in nearby streams. Contact your local municipality for guidance.

Report flooding problems to your local municipality.

Flooding from excessive stormwater is a sign that a stormwater system may not be functioning properly. In addition, surging water picks up sediment and nutrients and quickly sweeps it into nearby streams and creeks.

Stormwater Management Ordinance #344

Effective November 6th 2013

Storm Water Management Requirements

Any building permit application that proposed any new impervious area must first satisfy the requirements of the Stormwater Management Ordinance #344.

All new impervious surfaces created must file a Storm Water Management application. It is the property owners' responsibility to control runoff from their property. If the property owner builds or replaces on their lot something that covers the ground so that rainwater cannot penetrate or the paving of a driveway, something must be done to allow the runoff to soak into the ground under a normal rain condition.

An approved storm water management plan is required with new construction that involves over 1200 square feet of area. New homes, additions, accessory structures, pole buildings, or garages, and changes to driveways or landscape that will impact stormwater runoff on your property, then you are required to comply with Conewago Township's Stormwater Management Ordinance #344. Stormwater applications can be found on the township's web site.

Stormwater is rainwater and melted snow that runs off streets, lawns and other sites. When stormwater is absorbed into the ground, it is filtered and ultimately replenishes aquifers or flows into streams and rivers. In developed areas, however, impervious surfaces such as pavement and roofs prevent precipitation from naturally soaking into the ground. Instead, the water runs rapidly into storm drains, sewer systems, and drainage ditches....

from www.epa.gov website

This requirement is a mandate from the United States Environment Protection Agency EPA, Pennsylvania Department of Environment Protection DEP and the County of York. Failure to comply with the mandates, Conewago Township as a whole would be subject to penalties from DEP and or EPA or both.

The Stormwater Management Ordinance #344 is posted at Conewago Township's website:
www.conewagotwp.com.

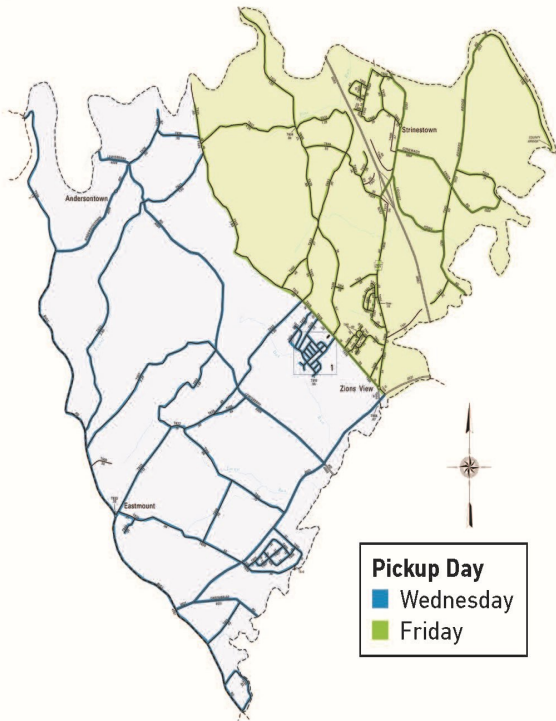

Important Trash and Recycling Information for CONEWAGO TOWNSHIP RESIDENTS

Information About Trash and Recycling Service Days

Effective January 1, 2023, your trash and recycling service days may be changing.

CONEWAGO TOWNSHIP MAP

Please reference the included map and street listing to see if your collection day will be remaining on **Friday** or if it will be moving to **Wednesday**. Streets north and east of Copenhaffer Road including Copenhaffer except for the section of Copenhaffer that runs west of Big Creek Road (Ward 2) will remain Friday pickup, while south and west (Ward 1) will become Wednesday pickup. As with the current contract, we recommend placing your material curbside the evening before your collection day. To see a digital version of this map, please visit the Conewago Township page on www.pennwaste.com.

PENN WASTE, INC.
**Yard Waste
Collection Guidelines**

Yard Waste is...

material such as tree trimmings, shrubbery and other organic landscape vegetation not listed below.

How to Prepare Yard Waste

1. Place yard waste in biodegradable brown paper bags or bundle it with biodegradable twine in easy-to-handle bundles.
 - Bundles may be no longer than 4 feet in length.
 - Bundles may not weigh more than 30 pounds each.
 - Branches may not exceed 6 inches in diameter.
2. Once prepared, yard waste must be placed at the curb on scheduled pick up day before 6:00 am.
3. An unlimited number of bags or bundles may be placed at the curb.

DO NOT place these items out for yard waste collection:

Grass Clippings

Fruits & Vegetables

Tree Stumps

Dirt & Stones

Please prepare your yard waste properly.
Yard Waste in plastic bags WILL NOT be collected!

Conewago Township
490 Copenhaffer Road
York, PA 17404

NEW WEBSITE COMING SOON!

A new Township website is in development and will be available in the near future!

Getting Ready For Winter

It will soon be that time of year to get out the snow shovel and deicer and get ready for whatever Winter may bring. Here are a few tips to help you cope with and expedite the snow removal from your street. We ask that you PLEASE remove your vehicle from the street during a storm. This will enable the Public Works Dept. to clear the street and get you on your way in a reasonable amount of time. Plow operators are urged to take precautions to avoid hitting mailbox posts. During a storm visibility is reduced and makes it difficult for drivers to see a post in time striking it or pushing it over with plowed snow. Any installation within the right-of-way, including a mailbox is placed there at the owner's risk.

This illustration gives a tip on clearing an area to allow plowed snow to unload before driveway. It is illegal to deposit snow onto Township or State roads to clear a driveway or a mailbox. Clear a 36 inch path around fire hydrants to allow for access for emergency equipment. We will do our best to clear your street, so please be patient and remember we have probably worked many hours before you have to start shoveling.
